

Business Law Updates for CPAs and Financial Professionals

JOIN US FOR LUNCH. GET AHEAD OF THE CURVE.

Murphy Austin's annual business law update seminar highlights recent changes in the law that are of specific interest to accounting and finance professionals. Both legislative changes and important new case law will be highlighted in the areas of business entities, labor and employment, federal and state taxation, intellectual property, contracts, bankruptcy, creditors' rights, and more.

Whether your practice focuses on tax, auditing, consulting, finance, lending or valuation services, you will appreciate this fast-paced presentation assembled specifically for accounting and finance professionals.
